

# Dr. Hauschka

## Dr. Hauschka products suitable for vegetarians

Dr. Hauschka products suitable for ovo-lacto vegetarians:

The ingredients of the Dr. Hauschka Skin Care are mainly of vegetable origin. Glycerol, stearic acid or other fatty ingredients are also obtained only from plant materials. The ingredients silk powder and carmine, however, are not suitable for ovo-lacto vegetarians.

The following Dr. Hauschka products do not contain these ingredients:
